Which language level is right for my child?

Advanced - Immersion

- My child has taken frequent Spanish or French classes for many years at an advanced level
- My child has previous exposure to an immersion environment such as speaking the language at home, previous immersion camp, or immersion school
- My child is able to carry a conversation in Spanish or French without the use of English
- My child is able to read books at their reading level in Spanish or French
- My child can follow directions and steps in French or Spanish
- My child has a strong and varied vocabulary in Spanish or French

Beginner

- My child has taken occasional Spanish or French classes in school
- My child has never had any instruction in Spanish or French
- My child is not able to have a conversation in Spanish or French
- My child needs translation to follow along with a Spanish or French game
- My child cannot form full sentences in French or Spanish
- My child feels easily frustrated when in immersion environments for an extended period of time
